

Hello 5th grade families!

My name is Julia Cable and I will be your 5th grade teacher this year! I have been teaching in 5th grade the past two years at Leawood - my first year in the classroom and this past year for the remote 5th graders at Leawood, Columbine Hills, and Governor's Ranch.

Remote teaching has taught me so much about the resilience of our students and the love and connection that can be fostered through communication and collaboration. I can't wait to bring those lessons into the classroom for the 2021-2022 school year.

I was born and raised in Littleton - attending Leawood, Ken Caryl, and then Columbine. I graduated from the University of Northern Colorado with a BA in Elementary Education. I studied in Ireland and traveled all around Europe during my college years. I completed my student teaching at Leawood and then explored many different schools through substitute teaching before teaching in my very own classroom at Leawood. You could say that a piece of my heart is in this

school! (And a few young pictures of me in the hallways!)

I currently live in Littleton and love to adventure around the beautiful state with my boyfriend Kellen and our sweet Husky, Juneau. I love to read for fun and drink a lot of coffee. I am looking forward to continuing my travels abroad when it is safe to do so. I am so excited for this upcoming school year!
