

Job Title: Community Engagement Intern

Location: LA County, Hybrid

Duration: Flexible Part-Time]

Compensation: Unpaid

About Us:

At Beyond the Limit, we aim to empower individuals to break barriers and reach their full potential by providing the essential tools for success. We are committed to fostering leadership, education, career development, financial growth, and community engagement, ensuring that every person has the support and resources they need to thrive.

Position Overview:

We are seeking motivated and compassionate interns to join our team and support various programs designed to uplift students. This internship offers hands-on experience in community outreach, event coordination, resource development, and student engagement.

Key Responsibilities:

- Assist in planning and facilitating workshops and events
- Provide outreach and support to students accessing academic and mental health resources
- Help update and maintain our Student Resource Hub and online platforms
- Support data collection, surveys, and reporting for program evaluation
- Collaborate with team members on special projects

Qualifications:

- Currently enrolled in high school, college, or recent graduate interested in education, social services, or community work
- Strong communication and interpersonal skills
- Passionate about supporting youth and community development

- Organized and able to manage multiple tasks
 - Comfortable using basic computer applications (Google Suite, Zoom, social media)
 - Bilingual skills a plus but not required
-

What You'll Gain:

- Valuable experience working in nonprofit and educational settings
 - Networking opportunities with community leaders and professionals
 - Training and mentorship in community engagement and student services
 - Letters of recommendation upon successful completion
-

How to Apply:

Please send your resume and a brief statement (1-2 paragraphs) about why you want to intern with us to jesus@beyondthelimit-edu.org. Applications are due by August 31, 2025
