

## Rig Strips Shark Tank Update – Shark Tank Season 16

What if you could find a solution to the common hassle with outdoor gear. Here comes the ‘Rig Strips,’ a premium sno-strips which saves your car from getting scratched anymore. It easily sticks outside the door of your car and it can support your skate board and another thing which can possibly scratch your car. It has a patented design that is applied magnetically to your car body, so you can lean your skis or snowboards when you are worry-free. It also works as a ‘sun-strip,’ which actually helps you while fishing.

Zhach and Steven are the founders of the Rig Strips. They came to the shark tank seeking an investment of \$300k for 7.5% equity in their company. Luckily, they secure a deal on the shark tank with Todd for \$300k for 15% in their company. They shook hands and went their ways happily.

### Did Rig Strips Get a Deal on Shark Tank?

Yes! Rig Strip secured a deal on the shark tank with Todd Graves for an investment of \$300k for 15% equity in their company. Zhach and Steven did a great job on the shark tank. However, they got four rejections from the shark tank. But they didn’t give up on their dreams. They knew they had potential. So, they moved towards Todd Graves. They finally got a counter offer for 20% equity. But after some rounds of negotiations, they finally secured a deal for \$300k for 15% equity in their company. They shook hands with each other and went their ways with joy.
