

# Friday Update

*18 September, 2020*

## Pop-Up Pantry at Poudre High School

Thursday, October 1<sup>st</sup> there will be a Pop-up Pantry at Poudre High School from 4:30-6:00pm. There are no special requirements to attend; anyone that needs food is welcome! The pantry is a drive-thru model and Spanish translation is available. Flyers are attached to this update.

## Young Women in Leadership Program – High School

This year, PSD Futures Lab is looking forward to having a Young Women in Leadership program open to any PSD high school student. Participants are not required to be enrolled at Futures Lab. Students can fill out the interest form on the contact page and join the email list. They will host virtual events (and, hopefully, in-person eventually) for students to explore leadership skills, connect with community mentors, and develop their voice.

## Learning Together Workshops

STEM-X has added a new workshop to their Fall 2020 line up. Please see the updated flyers ([English](#), [Spanish](#)) and check the STEM-X website for Workshop descriptions and registration information at: [www.stem-x.org](http://www.stem-x.org)!

## PGA School Accountability Committee

The PGA School Accountability Committee (SAC) is looking for parent members. Since this year is a continuation from last year, parents that served last year are encouraged to participate again this year. However, we would also welcome new members. If you would like to be considered for participation on the SAC, please email Brad at [bavery@psdschools.org](mailto:bavery@psdschools.org).
