

Privacy Policy for FlowSync

Effective Date: April 3, 2026

1. Data Collection and Usage

FlowSync is a private period and cycle tracker application. We believe in total privacy. The application does not collect, store on external servers, or share any personal health data, moods, symptoms, or cycle information with the developer or any third parties.

2. Data Storage and Retention

All data entered into FlowSync is stored locally and exclusively on your mobile device. We do not have access to your data. Your information remains on your device as long as the application is installed.

3. Data Deletion and Control

Since all data is stored locally on your device, you have full control over it:

Manual Deletion: You can delete specific logs or entries directly within the app's settings/history.

Full Deletion: If you uninstall the FlowSync application, all data stored within the app is immediately and permanently deleted from your device. We do not keep any backups of your data.

4. Changes to This Policy

We may update our Privacy Policy from time to time. You are advised to review this page periodically for any changes.

5. Contact Us

If you have any questions or suggestions about our Privacy Policy, do not hesitate to contact us.
