

10 Things to know about Google Pixel 3

Available at Optus, Telstra, Vodafone, JB Hi-Fi, Harvey Norman and the Google Store // Pixel 3 RRP starts at \$1199, Pixel 3 XL RRP starts at \$1349 and Pixel Stand RRP is \$119.

1. Brilliant screen and beautiful design.

Pixel's iconic two-tone design is refined with a soft-touch glass back that feels great in your hand.

- Super-fast fingerprint sensor unlocks your phone before you see the screen.
- Two sizes and three colors: 5.5" and 6.3", both in Clearly White, Just Black and Not Pink.
- Same features in both sizes so you can choose the one that suits you.
- The best entertainment experience, Pixel 3 is a YouTube Signature device with HDR playback.

3. The perfect photo on the first try.

Pixel 3's AI powered smartphone camera gets even better with all new features to get the best shot on the first try.

- Get up to 184%¹ more of what you love in your selfies with Group Selfies, no selfie stick required.
- Get smiles, not blinks with Top Shot.
- Snap with a smile with Photobooth.

2. Search more of what you see with Google Lens.

Google Lens⁴ lets you search what you see, get stuff done faster, and interact with the world around you.

- Exclusive to Pixel 3, in-camera Lens suggestions work in real-time on URLs, emails, phone numbers, addresses, and QR codes. For the full Lens experience, just long press in the camera, then do things like identify plants and animals, copy text, and look up clothes and furniture that catch your eye.

4. An Assistant that does more means you can do more.

Your Google Assistant⁵ is always finding new ways to look out for you

- When on the go, get a snapshot of your day from your Google Assistant with details about your calendar, traffic, weather. You'll even get reminders about important events.
- From helping you find flights and hotels to finding things to do and eat in new cities, your Google Assistant takes the travail out of travel.

¹Pixel 3 Group Selfie camera captures up to 184% more area of the scene than iPhone XS based on EXIF data from each camera. iPhone is a trademark of Apple Inc. registered in the US and other countries. Results may vary.

⁴For available Google Lens languages go to g.co/help/lens. Some features require an Internet connection

⁵ Google Assistant requires internet connection.

- Hold on to every great photo and video with unlimited online storage² on Google Photos.
- Night Sight takes bright, detailed and colourful shots in the dark, whether it's around the campfire, a moonlit forest, or a selfie after you close out the bar. [coming soon]

5. Create and play with Playground.

Playground helps you create and play with the world around you, using augmented reality.

- Your photos and videos come to life with your favourite superheroes, stickers, and fun captions.
- Playmoji characters react to each other and to you, including your facial expressions. They interact with you in selfie mode too.
- Playground understands your world, making smart suggestions for characters and captions to help you express yourself in the moment and bring your story to life.
- New Playmoji packs coming soon include characters from the Marvel Cinematic Universe and everyday fun like Sports, Weather, Pets, and Signs.

7. A battery that helps itself last longer.

Pixel 3 comes with a battery that charges fast and lasts all day.³

- Pixel 3 charges super fast out of the box—just 15 minutes gives you up to 7 hours of go.³
- Super-charged with AI, Adaptive battery keeps you going longer by prioritizing power only for apps and services you care about.
- Pixel 3 can also be charged wirelessly with the Qi universal standard (and fast with Pixel Stand - sold separately).

9. Keep your data safe and secure.

Use your Pixel 3 with complete confidence that your data will remain safe and secure

- Titan M is a custom-made, built-in security chip that protects your most sensitive

6. Focus on the things that matter to you.

Pixel 3 introduces Digital Wellbeing, a suite of tools to help you understand how you use your phone.

- Just flip your phone face down to turn on Do Not Disturb with the new Shhh gesture.
- The Digital Wellbeing Dashboard shows you how much time you spend on different apps.
- Set timers for how much time you want to spend on an app with App Timers.
- Turn on Wind Down mode to turn your phone screen to grayscale and turn on Do Not Disturb.

8. Power up and power down with the Google Assistant.

The new Pixel Stand (sold separately)⁶ gives your Pixel 3 a fast, wireless charge while keeping it engaged and helpful.

- Your Google Assistant is accessible by voice or shortcuts that appear on screen when it's charging.
- The Sunrise Alarm eases you awake by slowly brightening the screen with warm sunrise colors just before the alarm goes off.
- Pixel Stand turns your Pixel 3 into a digital frame displaying your favourite albums from Google Photos while it charges.

10. Friends of the Pixel family.

Get compatible Pixel 3 accessories from Google or choose from a range of partner products.

- Pixel USB-C earbuds give you crystal clear sound, quick access to your Google Assistant and let you hear your notifications.⁷
- Add some colour with Pixel 3 fabric cases or customise your own My Case with your own image.
- Wide array of cases, chargers, earphones and other accessories from brands including Bellroy, CaseMate, dbrand, Incipio, Ninety7, Speck, Tech21 & Zagg.

²Free unlimited online original-quality storage for all photos and videos uploaded to Google Photos from Pixel 3 through 31/1/2022. Photos and videos uploaded before 31/1/2022 will remain free at original-quality. Requires Google Account. Data rates may apply. g.co/help/photostorage.

³Approximate battery life based on a mix of talk, data, standby and use of other features, with always on display off and mobile hotspot off. An active display or data usage will decrease battery life. Charging rates are based on use of the included charger. Charging time performance statistics are approximate. Actual results may vary.

⁶The Google Assistant requires an Internet connection. For help and to learn about features, visit g.co/pixelstand/help. Wireless Charging: Up to 10 W with Pixel Stand.

⁷Some features require an Internet connection and a Google account. Works only with USB-C devices running Android N and above. Message notifications work only on Android P devices. See g.co/USBCearbuds/help for details. USB-C is a trademark of USB Implementers Forum.

on-device data by securing your lock screen and strengthened disk encryption

- Titan M protects the integrity of the operating system and enables apps to better protect your important transactions.
