

*Rainmaker *GLORY* Challenge*

You didn't complete the challenge, you failed to become what you said you would be, now, you must ask yourself why.

The Rainmaker title in the copywriting campus is one of the most prestigious, exclusive titles you can acquire, the status that comes with it, the confidence you gain when you hold that title, it's glorious.

You can be part of this elite group, but you must TRY your BEST, day in and day out.

Will you be left in the dust of your brothers and sisters as we scale the mountain together, while you wallow in your feelings and fear? Or will you join the ranks of the most respected students in the campus?

The choice is yours.

Fill this out daily, tag Cole and myself in the #Agoge-Competitions chat.

Desired Outcome for the Day:

- Test out chatbot, more prospects for cold call spreadsheet to be ready for next week when I cold call

Planned Tasks to Achieve it:

- Test bot
- AAA GWS
- outreach GWS

End of the Day Reflection:

- Had a solid training session
- not as many GWS as I planned, but productive overall
- I realized I'm moving too fast with the chatbot. I'm still in the beginner steps. My plan is to integrate it into my website, so I can show my clients what it could potentially look like on theirs and discuss how it could benefit their website.
- I held off on some outreach GWS tonight, because I want to get to bed a little earlier today to fix my sleep schedule, that was bad planning which is my fault.

- I'm steadily gaining a couple X followers a day. Hopefully I can keep growing, I've been posting twice a day for around 2 weeks
- Going to get a bunch of work done tomorrow morning, because I will be at matrix job from 10AM to late at night.

The Man/Woman You Are Now vs Who You Want to Be (Keep this the same daily, reminding yourself of who it is you are trying to become) :

- **Now:**
 - Doesn't go through life with MAXIMUM efficiency
 - Doesn't always complete every little task
 - Judges others for the position they're in (good or bad)
- **Who You Want to Be**
 - The guy people count on to get shit done, no matter the circumstance
 - Iron willed
 - Always get every task done to its maximum potential
 - Not so judgmental of others
 - Provide value to everyone around me
 - GENUINELY seek opportunities in every situation
 - Never worry about money again, because I'll be so confident in my ability to provide value to businesses/people

Your Reason *Why* (make this as compelling as possible, keep this the same and pound it into your skull, so you wake up daily with a clear reason) :

- I want to be a Hero to my future wife and kids.
- I picture the day I wake up knowing I'm truly free, no more job, no more worrying about paying for groceries or my mom being able to afford rent, no more days driving 40 minutes to a job I hated in a car that made me stress about breaking down on the highway. When in my eyes, MONEY IS NOT REAL!
- I want to be fully in control of my life, and never again get told what time I can eat my lunch or what time I'm able to go home. (this may sound petty, but that's how I feel)

- To prove to my mother all the time and money I spent on this “online biz journey” was ACTUALLY worth it, when I hand her the keys to a brand-new car paid in cash then a house etc... I can’t even imagine how that would feel.
- I’ve been fed up with normal life ever since I got fired for the first time. I've been trying to escape the rat race for so long, but I never fully committed. I was ignorant of the fact that I wasn't putting in the proper work. For the longest time, I was just a busy idiot after learning I could make money online.
