

Privacy Policy - Dice Game

Last updated: 20 December 2023

This Privacy Policy outlines how Dice Game ("we," "us," or "our") collects, uses, maintains, and discloses information collected from users ("user," "you," or "your") of the Dice Game Android application available on Google Play.

Information Collection and Use

We do not collect any personally identifiable information from users of our app. The app may collect non-personal information for the sole purpose of improving user experience and application performance. This may include technical information such as device information (including device model, operating system version, unique device identifiers), and general usage statistics.

Permissions

Dice Game may require certain permissions to access device features solely for the purpose of providing essential functionalities within the app. These permissions may include:

Internet Access: Required for crash reports and analytics purposes.

Device Storage Access: Necessary for saving game progress or settings.

Changes to This Privacy Policy

We reserve the right to update this Privacy Policy at any time. Any changes will be posted here with the updated date. We encourage users to check this page frequently for any changes to stay informed about how we are helping to protect the personal information we collect. You acknowledge and agree that it is your responsibility to review this Privacy Policy periodically.
