

Platt Tech Parent Faculty Organization

The Platt Tech Parent Faculty Organization is a nonprofit group of parents, teachers, and staff dedicated to improving the educational experience of all students. Our mission is to encourage interaction between family and school, serving as a source of support, working with teachers, staff, and the community primarily through fundraising. The PFO works closely with the school administration to meet this goal.

We support the following:

Grant proposals submitted by staff to enrich learning

Gift cards for summer reading awards

Veterans Day Breakfast

Thanksgiving Lunch for homeless hosted by the culinary dept. at Platt Tech

Cookie swap for teachers at holiday time

Annual Car show and Food Truck Vendors and

Many more events and causes throughout the year.

We encourage membership to help support these events as well as volunteering time, such as making phone calls, heading an event or helping with set up or clean up. Helping with the PFO allows your child to see how you support them behind the scenes.

We meet once per month on Wednesday at 6pm in the library/media room (subject to change) at Platt Tech. Attendance is not required to become a member.

Please look out for info at the start of the school year!
