

Student Arrival

First 3 days of school only: Parents/guardians may walk their child(ren) onto campus and wait with them outside of their classroom. Parents are not permitted to enter the classroom with their child.

- Students arriving by car:
 - **TK/Kindergarten drop off in the upper parking lot loop near Kindergarten gate (8:05 - 8:18 AM):** Cones will guide parent drivers. Students will get out of their cars on the passenger-side and walk directly into the Kindergarten gate *without parent/adult accompaniment*. No parking allowed. A TK/Kindergarten teacher will greet students and will direct students to move to the classrooms. **Note:** If possible, we suggest that parents walk from home (or park off campus and walk in) with their Kindergarten student due to a high volume of traffic expected.
 - **1st-5th Grade drop off on Bryant Street curb (8:05 - 8:18 AM):** Students will get out of their cars on the passenger-side. Adult supervisors will funnel students through campus gates (Bryant Street). Students will walk onto campus without parent/adult accompaniment and will remain on the blacktop/playground area until the 8:18 bell rings. Once the bell rings, all students will directly walk to and line up outside of the classroom. Students must be lined up by 8:20 AM.
- Students walking to school/arriving by bike:
 - Students will safely cross Bryant street at the crosswalk. Adult supervision will be present at the crosswalk. Students may also enter campus through the back gate (field area). Students arriving by bike will walk their bike once on campus directly to the bike rack. Parents may walk with students as far as the school gates and then students will follow the above procedure.

Student Dismissal

Immediately after dismissal at 2:40 PM (grades 1st-5th), 1:45 PM (Kinder), and 11:40 AM (TK) students will walk toward designated exits. Blacktop and play grounds are closed to all students after school. Parents/guardians will not enter school grounds for pick-up.

- Students being picked up by car:
 - TK/Kindergarten: Students will wait in the Kinder play yard gate. Teacher/supervisor will release each student to parents once their car is in the pick up loop.
 - 1st-5th Grade: Students will be released from the classroom and will walk to Bryant Street through exit gates. Parents' cars will be waiting on Bryant Street, continuously pulling forward to designated cones.
 - **Please note:** The valet area on Bryant Street is a no-idling zone; drivers of non-electric vehicles are kindly asked to turn off the engine while waiting for student(s).
- Students walking home from school:
 - Students will exit through Bryant Street gate. Crossing guard/supervisor will ensure students safely cross Bryant street at the designated crosswalk.
 - Students can also exit campus through the back field gate.
- Students riding bike home:
 - Students will walk directly to the bike rack, walk their bike to the street, and proceed to their route.
- Students who will be picked up by approved day-care provider multi-student pick-up van:
 - Students will wait for vans at the lower parking loop adjacent to the gym.
