

OSGeo Oceania Membership Survey Brief

Date: October 4, 2020

Author: Celina Agaton, Outreach and Communications Working Group Co-Chair

Timeline: Early October 2020 release, results shared at the FOSS4G SotM Oceania conference on November 20, with additional feedback gathered at the conference.

Description:

OSGeo Oceania will undertake a strategic planning process and the membership survey will help inform this process as well as our annual report. The survey will first be emailed to members, with additional feedback gathered through the FOSS4G SotM Oceania conference attendee survey.

The survey aims to understand

- Demographics of the current membership, including their industry sectors and titles
- Current interactions with OSGeo Oceania, which content members enjoy
- Types of programming and content members would like to receive
- Which communications channels they prefer
- Potential programming or content related to the current pandemic

These questions would be sent via online MailChimp survey with an option for anonymous feedback.

DRAFT MEMBERSHIP SURVEY

Communications group, please use the Google Doc comments for your feedback.

Dear Members,

OSGeo Oceania is in the process of developing a long-term strategy and program plan and we need your valuable feedback to help us serve the needs of our community. Please complete this survey by [Monday, November 2 or 9] and we will share the results of the survey at FOSS4G SotM Oceania on November 20. You may submit anonymous responses, or include your name.

Thank you for your time and effort!
