HRD of PT. Pantang Mundur

Jalan. Sukamundur 3, 12260

Good Afternoon, HRD Representative of PT. Pantang Mundur.

Let me introduce myself, I am Budi Putra, Content Manager at PT. Berdikari I am here to recommend Alda Alam for the Content Writer Intern position at PT. Pantang Mundur.

Alda worked in the marketing department at PT. Berdikari under my supervision back in 2021. During that time, I developed a high regard for Alda based on his outstanding contributions for our company.

Alda has been our most productive intern. She exhibited a rare combination of both speed

and efficiency that has enabled him to produce quality content for our readers.

Sandi has also impressed me with his amazing organizational, problem solving, and analytical skills, which I think made him such a perfect writer for the upcoming future of marketing. She has also demonstrated good interpersonal skills, which made him such a joy to have around.

As you can tell, I am super impressed by Alda's skills and experience. I really think that she will be a suitable Content Writer Intern in your team.

If you want to discuss more about Alda's experiences and achievements, please give me a call at 0888666755.

Best Regards,

Budi Putra
