

Technology Distribution

All students, please fill out this **Technology Survey** for this school year so that we have the most up-to-date information about your technology needs.

During the 2021-2022 school year, Kelly students will be a part of a 1:1 initiative that allows them to use Chromebooks for instruction during the school year. Kelly College Prep will be distributing Chromebooks to ALL students. Students are allowed to take their issued Chromebooks home to continue with homework and other instructional tasks.

Please print and complete this form

Printed Copies available to be picked up at Kelly

 KCP - Chromebook Commitment Pledge 2021.pdf

* Parent/Guardian signature required
