

RESOLUTION NO. 2024-25/20
APPROVING THE PETITION FOR RENEWAL OF THE CHARTER FOR
TEMECULA PREPARATORY SCHOOL

WHEREAS, pursuant to Education Code Section 47605 et seq., the Board of Education (“Board”) of the Temecula Valley Unified School District (“District”) is required to review charter petitions and authorize the creation and/or renewal of charter schools;

WHEREAS, the Board previously authorized the Charter for the Temecula Preparatory School (“Charter School”) with its current term running through and including June 30, 2025, as it was automatically extended by Education Code section 47607.4;

WHEREAS, a petition was submitted to the District requesting that the Board renew the Charter School’s Charter for a five-year term from July 1, 2025, through and including June 30, 2030 (“renewal petition”);

WHEREAS, as required by the Education Code, a public hearing regarding the renewal petition was conducted on February 25, 2025, at which time the Board considered the level of support for the renewal petition by teachers and other employees of the District, and parents/guardians;

WHEREAS, District staff, in consultation with legal counsel, conducted a comprehensive review of the renewal petition, and identified multiple items needing clarification and/or revision, and the Charter School worked cooperatively with the District to provide clarification and implement revisions to the renewal petition to address the identified items. The revised renewal petition is attached hereto as Exhibit “A”;

WHEREAS, charter renewals are governed by the standards and criteria set forth in Education Code sections 47605, 47607, and 47607.2;

WHEREAS, Education Code sections 47607 and 47607.2 require a determination of whether a charter school seeking renewal is in the high, middle, or low academic performance category or is a Dashboard Alternative Status school;

WHEREAS, the Charter School has been designated by the California Department of Education as a “high-performing” charter school pursuant to Education Code section 47607;

WHEREAS, a high-performing charter school may not be denied on the basis of academic performance, and shall only be required to update its charter petition to include a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was last renewed and as necessary to reflect the current program offered by the charter school;

WHEREAS, the District has determined that the Charter School meets the applicable legal standards and criteria for renewal, and recommends that the Board approve the renewal petition;

WHEREAS, the Board has fully considered the renewal charter petition and the recommendation for renewal.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED AS FOLLOWS:

1. The Board finds the above-listed recitals to be true and correct and incorporates them herein by this reference.
