

SENIOR PICTURES NEEDED FOR YEARBOOK

SET UP YOUR FOLDER!

*Go to our Senior Drive: <https://shorturl.at/XL5ZM>

*Create your folder. Name it like this: LastName, FirstName Initial

*Drop your photos into your folder so your friendly yearbook staff can easily find them!

Here is what you will need for the yearbook:

1. Senior picture: DUE OCTOBER 31, 2025

-The pictures that look the best in the yearbook are those that are from the waist up or closer. These will be a vertical orientation. Label this **LastName_FirstNameSeniorPicture**

2. Baby picture: DUE NOVEMBER 28, 2025

-The baby picture will be next to your senior picture. Try to choose a picture from when you were 0-2 years old. Label this **LastName_FirstNameBabyPicture**

3. Senior Flashback pictures (then and now): DUE NOVEMBER 28, 2025

-Choose a picture from when you were a child and then recreate that picture as closely as possible. Label this **LastName_FirstNameFlashbackTHEN** and **LastName_FirstNameFlashbackNOW**. You must submit both pictures.

4. Senior Replay pictures (for the bottom of the senior pages): DUE NOVEMBER 28, 2025

- Have at least one picture of yourself from your younger years of school. If you have any group or comical pictures please add those also. Label this **LastName_FirstNameReplay**

5. Quote and Nickname: DUE NOVEMBER 28, 2025

-You will need to choose a quote to have placed next to your senior picture. It can be serious or funny, just as long as it is **appropriate** for school. Be careful of how long it is because there is not that much space.

NOTICE! If you turn in photos after these dates, they MIGHT NOT be in the yearbook. Please get everything turned in as soon as possible to help your yearbook staff.

Please do not turn in hard copies of your photographs. Either scan the photos to upload to the Google Drive folder, or take a photo of your photo with your phone and then upload it to the Google Drive folder.

If you do not have access to the Google Drive folder, you may email me your photos at eadad@underwood.k12.mn.us

Thanks so much for getting these pictures turned in as soon as possible.
