

Privacy Policy – RainStreamer RS-1

Effective Date: May 2026

RainStreamer Inc. (“we”, “our”, or “us”) respects your privacy. This app is designed to operate locally and does not collect personal data.

1. Information We Collect

We do NOT collect, store, or share any personal information.

The RainStreamer RS-1 app:

- Does not require account creation
- Does not collect personal data
- Does not track user activity
- Does not use analytics or tracking tools
- Does not store or transmit user data externally

2. Local Network Access

The app connects directly to your RainStreamer RS-1 device over Wi-Fi.

This connection:

- Occurs only on your local device network
- Is required for device configuration and control
- Does not transmit data to external servers
- Remains fully within your local environment

3. Permissions Usage

The app may request the following permissions:

- Local Network Access: Required to discover and connect to RS-1 devices
- Wi-Fi Access: Required to detect and connect to the RS-1 network
- Location (Android only): Required by Android to identify Wi-Fi networks. No location data is collected or stored.

4. Internet Usage

The app does NOT require internet access.

If your mobile device displays a "No Internet Connection" warning while connected to the RS-1 device, this is expected and normal.

5. Data Sharing

We do NOT share any data with third parties because no user data is collected.

6. Security

All communication occurs locally between your mobile device and the RS-1 hardware. No external servers, cloud storage, or third-party systems are involved.

7. Data Retention

Since no personal data is collected, no data is stored or retained by the app.

8. Children's Privacy

This app does not knowingly collect any information from children under the age of 13.

9. Changes to This Policy

We may update this Privacy Policy from time to time. Updates will be reflected in the app store listing or within the app.
