We have seen the amazing ways God is shaping boys into men through our church's Battalion ministry. This is the program provided by Christian Service Brigade for helping mentor young men to love God's Word and world, to give them opportunity to learn and practice leadership, and to develop discipleship relationships with older men.

once a year Christian Service Brigade has a bike-a-thon to help raise support. Please help support this ministry that is needed more now than it has been in its 85 years of serving the local church.

I'm participating in Pedaling for a Purpose! It's a bike-a-thon to support the ministry of Christian Service Brigade. Brigade has impacted my life in a huge way and I want to see it continue to make a difference in the lives of boys and men everywhere. I'll be riding in May! [GIVE HERE](#) to sponsor my ride! Every small gift makes a big difference. Thank you for your generosity.
