

CALL TO ARTISTS / ART AUCTION IN SUPPORT OF ARTS SCHOLARSHIPS

Inaugural Fundraising Event on Saturday October 29

Athenaeum Art Center @ Bread & Salt

Dear Artist,

City Gallery, Art Produce and the VAPA Foundation are organizing an art exhibit and auction on October 29th Saturday, 5-8pm at the Athenaeum Art Center within Bread & Salt, in Barrio Logan.

We would be grateful for your generosity in supporting young artists in their artistic pursuits by contributing your artwork to the exhibition. This should be a fun Community event and we hope you'll want to join us in raising money for the scholarship fund.

The Visual and Performing Arts Foundation (VAPA) provides scholarship assistance to graduating seniors from the San Diego Unified School District in order to support their commitment to artistic excellence and community engagement. Scholarships will be awarded to students to fund their post-secondary goals in the arts. The Scholarship fund was created to honor the commitment to our San Diego Arts Community of VAPA Foundation co-founder Larry T. Baza who died in 2021 from covid 19. Larry believed that his introduction to theater and the visual arts while attending San Diego High School ignited a fire, leading him to be a lifelong advocate for the arts. The VAPA Foundation hopes to ignite that fire for the arts in students throughout San Diego.

You may donate 100% of the sales proceeds or split 50/50% with the Scholarship Fund. We will accept 2D and 3D works measuring 24" or less in any direction.
