

- Located at Medical Associates of North Georgia
- Address: 320 Hospital Road, Canton, GA 30114.
- Park on the left side of the building. There is a side entrance that uses a keypad for entry. The code is 1225*. Enter and walk through the employee lounge. The GI suite is the second hallway on the right and then the first door on the left. The GI procedure room is the first door on the left.
- Scrubs are not provided (as far as we know) so wear some from home.
- There is one procedure room and one anesthesiologist. There is not a phone for this location.
- No computer charting (as of Feb 2019), so paper charting at this location.
- The CARE tool box is located by the nurses office in Preop.
- There are no food options available in the building. Bring your own breakfast and lunch.
- There is no anesthesia tech staffed throughout the day, it is your responsibility to stock the cart. The supplies are located in the cabinets behind the anesthesia cart.
- If you finish your cases before 11 am, please call the coordinator at Cherokee (770.224.3814) for further instructions.
