Students are expected to have exemplary behavior to ensure a positive and memorable evening for all attendees. Failure to follow the rules may result in the student being removed from the dance. Any major discipline issues will be dealt with through the proper school administrative channels. Below is a list of guidelines to help make this year's Homecoming a successful event.

1. Students must enter the dance before 9:00 PM and remain until at least 10:00 PM. Students who leave the dance will not be readmitted. Parents will be notified by phone from an administrator if students do not arrive by 9:00 PM.
2. All school rules, as well as district, state, and federal laws, will be enforced.
3. All students must be in good standing for academics, attendance, and behavior. Any student with 20 or more unexcused tardies and/or 18 or more unexcused period absences, even after purchasing a ticket, will not be permitted to attend. All students must also be debt-free and not on the academic ineligibility list. Refer to pages 28-29 in the Student Handbook.
4. **Current year photo ID card, or equivalent, will be your dance ticket and is required of all dance attendees.**
5. Appropriate semi-formal attire is required and is at the discretion of school personnel. Shirts/Tops: Dress shirt with collar, blouse, or dress. Pants/Bottoms: Dress slacks or a skirt. Shoes: Dress shoes or sandals, clean athletic shoes. Attendees wearing inappropriate attire will be denied access to the dance. Refer to the Student/Parent Handbook for specifics.
6. All tickets must be purchased in advance. **NO** tickets will be sold at the dance. Tickets are sold in the Activities Office. Please see the grade level Google Classroom for dates and times. You may not leave class early to purchase a ticket. No refunds are given for those who are unable to attend the dance once a ticket has been purchased.

7. Dancing must be appropriate for high school. Vulgar, obscene, or suggestive dance moves shall not be displayed. All students will be given a wristband that must be worn when entering the dance. Violations of the dance policy, including inappropriate dancing, will result in a warning and then removal of the wristband. The second warning will result in a removal from the dance with no refund.
