

VPN Proxy Master Privacy Promise/Policy:

We at VPN Proxy Master are advocates of internet freedom and privacy. We strongly believe in what we do, i.e, "to secure user privacy and ensure data safety through our online product" That is why we have not written it "Privacy policy" but "Privacy Promise"

Who are we?

In this policy, "we," "us," and "our" refers to the particular company from the list above that provides you with the services and is responsible for handling your data in accordance with this policy. For mobile apps, you can identify which company this is by looking at which company is listed as offering the app on the download page for that app or reviewing its terms of service.

Do we collect any information about you?

No. We do not collect any information about you or store any log from your online activity. However, we may need to collect your email address only to respond to you in case of a query, inquiry or customer support.

We do not require our users to register with-in our app. This means that we do not require your personal data to use our app.

By accessing or using our app the user is subjected to our Terms & Conditions mentioned in this Privacy Policy. If you don't agree with the Policy, please restrain from using the app or submitting your personal data.

This Privacy Policy is applicable to all the international as well as national users of our app. The information we collect is as mentioned below:

- Within the Services and Website.
- In e-mail or other communications between you and the Services and Website,
- Through the mobile applications when a user submits a support request.
- When you interact with our advertising and Services on third-party websites and services if those services or advertising include links to this privacy policy.

It should be noted that We (VPN Proxy Masters) are not responsible for your communication with third-party advertisers. We are also not responsible for any damage caused when you leave our app either through advertisement or clicking any link on the website.

In our free version, you may be shown some advertisements. We do not keep your information when you click on these advertisements however, we are not responsible

for our third-party partners. The websites or advertisements you visit may record your personal information.

We do not track user activities outside of our Services, nor do we track the browsing activities of users who are logged into our app's browsing sessions. We do not share your IP address, browsing history, or any other information you choose to provide, with advertisers.
