

Simple Pumpkin Cake

makes one 9.5inch/24cm cake

Ingredients:

3 cups all-purpose flour
1 ⅓ cups sugar
1 cup pumpkin puree
2 teaspoons baking powder
1 teaspoon ground cinnamon
¼ teaspoon salt
125ml buttermilk - **room temperature!**
150ml oil
2 large eggs
1 teaspoon orange extract (optional)

powdered sugar or icing to decorate the cake

Directions:

Put all the ingredients in a bowl of your electric mixer and mix well until everything is well combined.

Pour the batter into a greased 9.5inch/24cm bundt cake.

Bake in a preheated oven 375F/190C for about 50-60 minutes (I baked 50 minutes).

Cool down completely, sprinkle with powdered sugar or decorate with icing, cut and serve.

Enjoy!:)
