ACKNOWLEDGEMENTS [Times New Roman 12 bold]

If the study is produced from a doctoral-PhD or master's thesis or presented at scientific meetings, this should be notified in the acknowledgement section. [Times New Roman 12 regular].

FULL TEXT

FINANCIAL SUPPORT [Times New Roman 12 bold]

Financial support for the conduct of the research should be stated. If no funding source(s) was involved then this should be notified as "This research received no grant from any funding agency/sector." [Times New Roman 12 regular].

CONFLICT OF INTEREST [Times New Roman 12 bold]

Please inform the details of all known situations with the potential bias to the work. If the authors have not any conflict of interest, it should be written as "The authors declared that there is no conflict of interest." [Times New Roman 12 regular].
