

Hi! My name is Leonard Craft III, and I go by DaWoblefet online. In an attempt to compile the history of VGC results for Nationals level events and higher, I'm reaching out to the community to try to find what's left after digging through years of activity on Smogon, Nugget Bridge, and Trainer Tower. If you have any data for old tournaments (especially pictures of Swiss results or other official material, but memory/old notes is good too), please let me know by replying to this tweet: <https://twitter.com/DaWoblefet/status/1078808028370124802> or contacting me otherwise. Thank you for helping to preserve VGC history!
