

Session 1, Room 1

No pressure to answer all the questions, choose 2-3 to focus on.

1. How was your experience with editing and/or creating new Wikidata items?

Trouble with the URL reference (Ann Marchock)

2. Did you find anything particularly interesting, confusing, or useful?
The link to the data would not let me edit. Do I need to sign in Google Doc?
3. Do you see potential for linking these Wikidata entries to others, maybe other institutions or collections?
4. How do you see creating or using Wikidata as applying to your work?
5. Do you have ideas/vision for using Wikidata in library/archive work?
6. What will you do next/how will you move forward with using the information and skills you learned here?
7. Any other questions or topics that have come up?
