Waste Management Club

Name of the activity : How many can you?

Date: 4th May 2022

Venue: college stage

DESCRIPTION

We all know, about the waste management club is all about dealing with waste. In this activity, we ask the participants to tie one leg with another participant's leg to form a pair. We were given a small piece of paper which contains a clue about a specific place and each pair should find the place to collect the waste from there. In this way by conducting this activity, we made every pair clear the college surrounding.

The winners of the activity:

1st prize : Rishitha. P- 2nd BBC

Use a sir.s – 2nd BBC

2nd prize : Kedha sir. K– 1st BA-EEP Kiranmai -1st BA- EPO

3rd prize : Shalini Naidu – 2nd BA-EPOMalaga karuna– 2nd BA-EPJ
