A Thought to Ponder from The Urantia Book

Morontia Fabric

“The material mind of mortal man is the cosmic loom that carries the morontia fabrics on which the indwelling Thought Adjuster threads the spirit patterns of a universe character of enduring values and divine meanings — a surviving soul of ultimate destiny and unending career, a potential finaliter.”

[111:2-2](#)

靈質性織物

「凡人的物質性心智是帶著靈質性織物的宇宙織布機，內駐的思想調整者在上面織出一個具有持久價值和神性意涵的宇宙特徵之屬靈模式——即一個具有終極天命和無盡生涯的續存靈魂，一位潛在的終局者。」
