ICAN has served the educational community and the students of Iowa since 1998. ICAN's mission is to empower Iowans to achieve lifelong success through education, training, and informed decision-making. ICAN helps nearly **800,000** students, parents and education professionals prepare for college each year.

Planning for a career and college, applying for financial aid and mastering your financial situation can be confusing and intimidating. For that reason, ICAN's team of Student Success Advisors work directly with Iowa students and their families. Whether at one of eight **ICAN locations**, at a career and college access program in an individual community or school, through email, Zoom™ or by phone, ICAN's team of experts are here for every Iowan. Most ICAN programs and services are offered without charge.
