Privacy & Data Protection Policy

Version Date: June 15, 2026

This Privacy & Data Protection Policy is provided by **Qaf Traders**. It explains how information may be collected, processed, used, shared, and protected when users access or use our mobile applications, games, digital products, online features, or related services.

By using our services, you confirm that you have read and understood this policy.

Section 1: General Statement

Qaf Traders respects user privacy and is committed to handling information in a responsible and transparent manner. We may collect limited information to help operate our services, improve performance, support advertising where applicable, analyze usage, maintain security, and comply with legal or platform requirements.

This policy applies to our applications, games, and other related digital services.

Section 2: Information We May Collect

The types of information we may collect depend on the service used, device settings, permissions, and third-party tools included in our products.

A. Device and Technical Data

We may collect technical information such as:

- Device model and manufacturer
- Operating system type and version
- Application version
- Language and region settings
- Device identifiers
- Advertising identifiers
- Network status
- Crash reports
- Diagnostic and performance data

B. Usage and Interaction Data

We may collect information related to how users interact with our services, including:

- App launches and session activity
- Feature usage
- Screen interactions
- Game progress or gameplay events, where applicable
- In-app preferences or settings
- Error records
- General usage statistics

C. Advertising, Analytics, and Crash Data

If our services use advertising, analytics, or crash-reporting tools, third-party providers may collect certain information to support ad delivery, usage measurement, performance analysis, fraud prevention, and technical diagnostics.

Third-party services may include, but are not limited to:

- Google Play Services
- Google AdMob
- Firebase Analytics
- Firebase Crashlytics

These providers process information according to their own privacy policies and terms.

Section 3: How We Use Information

Qaf Traders may use collected or processed information for purposes including:

- Operating and maintaining our services
- Improving app, game, or service performance
- Enhancing user experience
- Monitoring stability and detecting technical issues
- Fixing bugs, errors, or crashes
- Understanding service usage and user interactions
- Displaying advertisements where applicable
- Measuring advertising effectiveness
- Preventing fraud, abuse, misuse, or unauthorized activity
- Complying with applicable laws, regulations, and platform rules

---

Section 4: Third-Party Platforms and Tools

Our services may include third-party SDKs, APIs, platforms, or tools. These services may support advertising, analytics, crash reporting, app distribution, technical support, security monitoring, or other operational functions.

Qaf Traders does not control the data practices of third-party providers. Information collected by third-party services is handled according to their own privacy policies. Users are encouraged to review those policies for more details.

Section 5: Advertising Notice

Some of our services may include advertisements. Advertising partners may use advertising IDs, device information, usage activity, and similar technical data to provide personalized or non-personalized ads.

Users may manage advertising preferences, reset advertising identifiers, or limit ad personalization through device settings, Google account settings, or other privacy controls available on their device.

Section 6: Sharing of Information

Qaf Traders does not sell users' personal information.

Information may be shared only when reasonably necessary, including:

- With service providers that help operate, secure, analyze, or improve our services
- With advertising or analytics partners when those features are used
- When required by law, regulation, legal process, or government request
- To protect the rights, property, or safety of users, the public, or Qaf Traders
- To detect, prevent, or respond to fraud, abuse, security incidents, or technical problems

---

Section 7: Data Security

We use reasonable administrative, technical, and organizational measures designed to protect information from unauthorized access, misuse, loss, disclosure, alteration, or destruction.

However, no method of internet transmission or electronic storage is completely secure. Therefore, we cannot guarantee absolute security.

Section 8: Data Retention

We retain information only for as long as reasonably necessary to provide our services, maintain security, improve functionality, comply with legal obligations, resolve disputes, or enforce applicable terms.

Third-party providers may retain information according to their own privacy policies and retention practices.

Section 9: Children's Privacy

Our services are not directed to children under the age of 13.

We do not knowingly collect personal information from children under 13. If a parent or guardian believes that a child has provided personal information through our services, they may contact us. We will take reasonable steps to review and delete such information where required.

Section 10: User Rights and Choices

Depending on applicable laws in your country or region, you may have certain rights regarding your information, including the right to:

- Request access to personal information
- Request correction of inaccurate information
- Request deletion of personal information
- Object to certain processing activities
- Restrict certain processing activities
- Withdraw consent where applicable

Privacy-related requests may be submitted using the contact email listed below.

Section 11: International Processing

Our services may rely on global technology providers. As a result, information may be processed, transferred, or stored in countries or regions outside your country of residence.

Such processing may occur for service operation, advertising, analytics, diagnostics, security, support, or legal compliance purposes.

Section 12: Policy Updates

Qaf Traders may update this Privacy & Data Protection Policy from time to time. Updated versions will be posted with a revised version date.

Users are encouraged to review this policy periodically to stay informed about how information is handled.
