Fall/Winter 2026

Dear local businesses,

On behalf of the Parent Support Group (PSG) of Holmdel's W. R. Satz Middle School, we are pleased to announce that we will host our annual Tricky Tray Basket fundraising event on March 26, 2026. At this event we auction gift cards, merchandise and services generously donated by businesses like yours.

BENEFITS YOUR BUSINESS WILL RECEIVE WHEN YOU DONATE...

- Exposure and free publicity to over 125 Holmdel residents, all vying for the opportunity to win a gift card or merchandise from your business;
- A listing of your business name and associated donation in our evening program, as well as prominent display with the baskets;
- Secured visits to spend their gift card and purchase additional products and services;
- A charitable tax deduction to a registered 501(c)(3);
- Investment in activities for our students to enrich their lives outside of academics.

If you are unable to donate a gift card or merchandise but would like to make a monetary donation instead, we will gladly include an advertisement within the program.
