## Deadlines

Due to an unpredictable weekly schedule, other projects, and a desire to produce high quality commission art, I don't do strict deadlines.

However, I'll respond to any message quickly, and I'll provide estimates on request for when a drawing will be done, at any point during the drawing process.

## Price Mods

Especially complex characters or backgrounds usually cost the price of an additional character, and I may charge more at my discretion.

### **Bea**

I am willing to consider art of my fursona, Bea, but I will charge **+20%** normal rates for anything involving her, and will still turn you down if I'm too uncomfortable with the idea.

### **Dragon Dares**

Commissions containing characters from [Dragon Dares](#) get an automatic 10% discount, but have much more stringent standards for approval, and will be exclusive to the commissioner and the Dragon Dares patreon for a period of time.

## Works-In-Progress

I will usually submit a WIP to the commissioner for each stage of the drawing process, and wait for feedback before proceeding.

Those stages are the following: Thumbnail > Sketch > Flat Colors > Rendering > Final Tweaks

I may occasionally skip a stage if I'm extremely confident in my work, but if I do so, I will usually be much more willing to do large revisions.

I will always do everything in my power to ensure that a commissioner is as satisfied as possible.

## Abandoned Commissions

In the event of a commissioner not responding to messages for an excessive period of time (in excess of two weeks), we will declare a commission abandoned. If this occurs, I will push it through to completion without further input, and post it. After that point, all revision requests are null-and-void. I will consider the matter closed.

## Revisions

Revisions usually provided within reason. We may charge extra for major reworks late in the drawing process.

## Refunds

Refunds are entirely at our own discretion, and we will usually only give them out in exceptional circumstances. Most funds we receive go directly to our operating expenses.

## Upgrades

I'm more than willing to do upgrades. So for instance, getting just a sketch, then coming back later for discounted inks and colors are fine. I'll just subtract the original price from the new one.

## Reposting

My policy for reposting images is to include a link to the artist's account on reposts.

## AI usage

Do not feed my artwork into an AI to modify it. If I catch you doing this, you will be permanently blacklisted from working with me again.

## Stuff I won't draw

NEVER: Scat, watersports, vore, noncon, underage, ageplay, diapers, incest, zoophilia (intelligent ferals allowed), and hate speech of any kind.

CASE-BY-CASE: Exposed Organs, Gore and Violence, extra-huge or otherwise implausible body parts, and particularly strange fetishes.

We will not draw characters that don't belong to you without explicit written permission from said characters' rightsholder. This does *not* apply to fanart. We're very much willing to draw fandom characters.

Gifts will be considered on a case-by-case basis.

I reserve the right to turn you down for *any* other reason.
