Weightlifting: 25% collegiate participation (2 of 8 athletes)
Wrestling: 80% collegiate participation (12 of 15 athletes)

All Sports: 75% collegiate participation (462 of 623 athletes)

**Team USA's collegiate footprint is defined by athletes who have or will represent their college in competition. This includes athletes who have already finished their collegiate careers, those currently competing and incomers who have signed National Letters of Intent. While the vast majority will have competed in NCAA intercollegiate athletics, athletes who competed in non-NCAA varsity and club sports are also included in these statistics.*
