Person 1: Hello. How may I help you today?

Person 2: Hi. Can you help me open a checking account?

Person 1: Yes, of course I can help you with that.

Person 2: Great, thank you.

Person 1: Would you like a savings account also? If you have insufficient funds, the money from the savings account can help the checking account so you do not have bounced checks and fees.

Person 2: Yes, that sounds great! Thank you!

Person 1: You're welcome! I'm going to give you a checkbook and check register for the checking account. Would you like a debit card for the account too?

Person 2: Yes, I would. Thank you.
