

Academy Footnotes 2025-2026

December 2025

Happy Holidays! We wish you and your family all the very best this season. We truly enjoy the opportunity to work with your family and love having the privilege of teaching your children.

We've placed a holiday stocking for each of our staff members in the lobby. If you and your child would like to give a card or gift card to their teacher or to our office staff, you're welcome to place it in their stocking!

If you've forgotten your teacher's name, [CLICK HERE](#) and select the tab for the program in which your child is enrolled in.

Thanks in advance for thinking of our team and for your continued support!!

SAFER STUDIO GUIDELINES: Thank you for helping us to remain a Safer Studio. Parents, thank you for keeping kids home if they are not well, and for your enhanced efforts to practice good hygiene. As we are going into regular cold and flu season, we must continue our combined efforts to follow these guidelines. Please continue to monitor your children and do not send them to class if they have a fever, cough, shortness of breath, sore throat, runny nose, etc. **Sending a child with symptoms to class in a mask is not an acceptable solution. Please keep children home when they are sick.** We appreciate your enhanced awareness and efforts in keeping our students and faculty healthy.

INCLEMENT WEATHER POLICY:

School closures due to severe weather conditions will be emailed and announced on social media by 8 am for morning classes, and 2 pm for after-school classes. Please note that we do not necessarily follow school closings as roads are often cleared by the time studio classes begin. Any canceled classes may be made up on your own time from our regular schedule, based on availability. If there is not a makeup class available, a replacement lesson will be scheduled.

TIS THE SEASON! Please take a minute and post a positive review on Google and/or Facebook for us! Your kind comments really help prospective customers to feel more confident in choosing us. We will be forever grateful to you. Thank you in advance for helping us out! We appreciate your support so much.

Your feedback is of the utmost importance to Studio 56 Dance Center & Little Learners Preschool. We are constantly striving to provide the ideal experience for our studio families, and your input helps us to define that experience. If you ever have any concerns or suggestions, please email us @ info@studio56dance.com. Thank you!

DEC 5: LAST DAY TO TURN IN PAJAMAS AND BOOKS FOR OUR WINTER SERVICE PROJECT

Our annual pajama and book drive is going on now! Our project will help support Utah Foster Care and several other local Utah charities. We are collecting new pajamas and books at both studios until December 8th. We hope you will join us in this cause!

So many of us have grown up with the tradition of opening up a new pair of pajamas every Christmas Eve. Kids love pajamas! We felt like giving pajamas to other children was a way to help even our youngest dancers grasp the concept of giving. We have been collecting pajamas and books for the Utah Foster Care Foundation and several other local charities every year since. They are always so excited to see us and so

grateful for new jammies right in time for the holidays! This event has been a wonderful way to create more holiday spirit in our students and share a little dancing joy at the same time!

HOW YOU CAN HELP:

- Donate new books and pajamas size preemie to adult. Drop donations off at the studio. Items can be handed to any teacher at pick up or drop off next time you are at the studio.
- We are also collecting monetary donations which will go towards more jammies and books! Bring in cash or Venmo donations to @danceforlife and include the dancers name so the amount can go toward their service society recognition!
- Invite others to donate! We want to involve as many people in our community as we can. [Share this letter](#) with families and friends this holiday.

What is Service Society? The pajama and book drive is our "Winter Project" and an opportunity for dancers to qualify to become a member of the "Studio 56 Dance Service Society." To meet the qualifications for Service Society, a dancer needs to donate 10 pairs of pajamas, or 20 books, or \$50 in cash donations. We will also accept a combination of the three donations (ex. 5 pjs and 10 books). We want to encourage students to put their hearts into this by asking friends and family to get involved and donate towards our project. Students who meet the donation requirements will be recognized for their service with a certificate. These credentials will acknowledge their involvement in a good cause and will look amazing on future college scholarship applications and resumes! We are so excited to have a program within our studio to help teach our students the importance of service and community involvement! **To get credit for your donations be sure to fill out the form on the clipboard next to the donation box!**

For every pair of pajamas and/or book you donate to our service project, you'll be entered to win a fantastic \$50 studio tuition credit for January!! Help us spread joy while also giving yourself a chance to save on class in the new year. Don't miss out on this amazing chance to make a difference and treat yourself! 🎉💖

November 2025

Thank you to everyone who joined us for our Trunk or Treat! 🎃👻 We had such a wonderful turnout with amazing costumes and some of the best trunks yet. Be sure to check out all the fun pictures on our [Studio 56 Dance Student & Family Community](#) Facebook page—we love seeing all the memories! A huge shoutout to our incredible studio families who decorated their trunks, and to Cookie Cutters and Sweet N' Pucker Lemonade for making the night extra special. ❤️

SAFER STUDIO GUIDELINES

Thank you for following these guidelines and helping us remain a Safer Studio. Parents, thank you for keeping kids home if they are not well, and for your enhanced efforts to practice good hygiene. As we are going into regular cold and flu season, it is important that we continue our combined efforts to follow these guidelines. Please continue to monitor your children and do not send them to class if they have a fever, cough, shortness of breath, sore throat, runny nose, etc. We appreciate your enhanced awareness and efforts in keeping our students and faculty healthy.

HELPFUL CLASS REMINDERS

- Please have your student use the restroom before class, especially our preschool-aged students!
- No underwear under your leotard. Tights are dancers' underwear! They have a gusset just like underwear! Lots of layers make for an uncomfortable dancer.
- LATE! We have had a lot of latecomers and late pick-ups. It is very disruptive to our classes when you walk in late, not to mention unsafe for dancers to miss warming up. Late pick-ups are preventing our next classes from starting on time. Thanks for your attention to this matter!

STUDIO HOLIDAY MERCH ORDER - DUE NOV 7

Studio 56 Dance Center merch is here just in time for Christmas! 🎁 Cozy crewnecks, wrap sweaters and beanies—perfect for dancers, siblings, and stocking stuffers. Snag your favorites and rep the studio all season long. Place your order by **November 7** so everything's ready for holiday gifting. Order today—don't miss it! <https://forms.gle/sSK2eXDoqj4MWknN6>

IT'S NEW STYLE NOVEMBER

This month we are opening up our trial program to our currently enrolled students to offer you the option to try another style of class with us. Have you been thinking about trying Hip Hop or Tumbling? We would love to see you in the class! [CLICK HERE](#) to join us for a complimentary class in a different style this month!

CONCERT INSTALLMENTS START NOV 1

Dance is the ultimate performing art, and dancing onstage at the recital serves as a powerful tool for building a child's confidence in themselves—a confidence that easily carries over into a dancer's home life, schoolwork, and friendships. So how can one special event create such a big difference? Read all about the benefits of the concert [HERE](#).

When starting class this season, you submitted the waiver that included details about our Year-End Concert. The automatic performance deposit of \$75 for dancers or \$60 for tumblers only processed on Oct 16.

- Installment amounts will be processed with tuition from November-May.
- To see your child's participation schedule, go to your parent portal [HERE](#).
 - Select "View All My Classes" in the top left navigation.
 - Your child's registration for events in which they are participating will show up there.

If you have not submitted your form, you can do that here: <https://app.hellosign.com/s/248KcTyY>

If you need to review the information, the [Parent Guide](#) includes all performance details.

NOV 10-14: FUN BUN WEEK

Come to class with a fun bun (Boys & short hair can do crazy hair). Turn that bun into a masterpiece... Maybe it's a spider or a one-eyed monster!! We can't wait to see your creations!

WHY DOES MY SCHOOL-AGE DANCER NEED TO WEAR A BUN?

1. **MUSCLE MEMORY:** Does your child have bangs or pieces of hair falling down in the face? How about little frizzies tickling their shoulders? In the middle of a combination or rehearsal, they may reach up and brush their hair out of their way. When a dancer does this all the time, after a specific step, or in a rehearsal, it becomes muscle memory, and they will continue to "brush their hair away" onstage, even if it is slicked back and pinned up!
2. **TURNING TROUBLE:** It's a problem for turns. For ponytails, dancers tend to wince or close their eyes when they spot, or whip their head around. You cannot turn without spotting your head, and you definitely can't turn with your eyes closed. This is legitimately a safety hazard.
3. **BALANCE AND ALIGNMENT:** The ballet bun helps to center your balance. Having your neck visible allows the teacher to correct your alignment by making sure your neck, shoulder and back are placed correctly.
4. **HELPS THE TEACHER:** If everyone in the room matches perfectly, it is easier to pick out exactly where corrections are needed and who needs them. A shoulder or elbow in the wrong place, the head placement not being correct, or even trying to figure out who is turning the wrong direction can be disorienting if everyone's hair, clothing, and accessories are different. This is important because it helps implement proper technique.
5. **BECAUSE THE TEACHER SAID SO:** Even if there was no other good reason, your teacher has a rule in her class that needs to be followed. If you respect your child's teacher, your child will see that respect, and it will transfer to them. Our program's overall atmosphere will remain friendly, professional, and respectful.

NOV 16: WINTER FUNDRAISER STARTS

Our Winter Fundraiser starts Sunday, November 16, and will be due Monday, Dec 1 by 6 pm. Studio fundraisers are a great way to help pay for tuition and performance expenses! An email will be coming your way soon. This year's winter fundraiser features Poinsettias for sale!

NOV 24-29: THANKSGIVING BREAK!

There will be no classes for Thanksgiving Break beginning Mon, Nov 24 through Saturday, Nov 29th.

INTRODUCING THE PIN CLUB

- ✨ Step up to help others
- ✨ Show responsibility and respect
- ✨ Inspire their class with positivity and focus

Whether you're guiding a warm-up, encouraging a teammate, or simply showing up with a great attitude, your leadership makes our hive stronger.

Let's celebrate the stars who lead with heart!

We would love to shine a spotlight on our incredible sponsor, Ponderosa Properties. Not only are they a long-standing member of our dance family, but they are also a group of wonderful, kind-hearted people who consistently give back to the community. They are the leading support we have in making our Winter Service project for the Utah Foster Care Foundation a success.
