

Volunteer Hours/Checks

We are using the online system again this year to simplify documenting and tracking volunteer hours. We have created a form to input and store volunteer hours. **Each family (IMs and Minors) will need to issue a \$200* check made out to Lake Park Baseball.** If the family completes eight hours of volunteer service around the complex, that check will be voided at the end of the season. Each team will be officially allowed one head coach and two assistant positions. Those individuals and board members do not need to issue a check or track hours if they fulfill their duties. If there are additional/assistant coaches beyond that, those individuals will still issue a check and log their volunteer hours of coaching. If you are a Little Bopper family, you do not need to log hours; however, we ask that you still consider helping out if/wherever able. We wouldn't have a facility without our wonderful volunteers!

Jersey and hat pick-up is scheduled for May 13th, from 5 - 6:30pm. Your volunteer check is due at this time to receive your player's uniform. Please provide your check to the Volunteer Coordinator - located near the concession stand - and obtain their jersey. To avoid any confusion, please add your player's team and name in the memo line of the check (all players if more than one in a family). For those that provided volunteer payment at registration, we will have that information and another payment is not required. If you have already fulfilled your hours prior to jersey pick-up, please note this with the coordinator with the requested memo information as well as submitting the volunteer form at the link below.

These links can also be found on the [Lake Park Baseball homepage](#).

If you have a player in Instructional Minors, please use the form [HERE](#).

If you have a player in Minors, please use the form [HERE](#).

Within one week of completion, submit each volunteer instance per player/volunteer person. Be sure to click "submit" once the form is complete.

Concession Signup

Part of potential volunteer hours is helping out in the concession stand. To sign up for a concession stand slot this year, use the link found [HERE](#). This will also be stored on the [Lake Park Baseball homepage](#). You will sign up on the link but then after your shift is complete, be sure to log those hours within the Volunteer form.

**Amount adjusted accordingly for any families that received a full or partial scholarship for the season.*
