

Outside Firing Agreement

Name:_____

Phone:_____

Email:_____

*I certify that I have used clay that can bisque fire to cone 04 and glaze fire to cone 5/6. I will use only Amaco, Duncan, or Standard brand glazes, and I will specify the firing cone.

*I certify that none of my pieces are thicker than 1/2 inch anywhere.

* I certify that I will leave the bottom of the piece and at least 1/4" up the side free of glaze when glaze firing.

*I hereby agree to replace any kiln shelf (\$30) and/or pay the firing fees for any piece irreparably damaged by my piece(s) exploding, attachment from excessive glazing, or use of incompatible clay.

*I agree to pay the full amount at the time of drop off.

\$20 per drop off, in addition to firing fees. (6 cents per cubic inch for bisque firing, 4 cents - for glaze firing with my own glazes, 8 cents - for glaze firing using the Studio's standard dip glaze firing, and 12 cents - for glaze firing using the Studio's Amaco Glazes- Potters Choice.) There is a minimum height of 2" regardless of actual height, and a minimum price of \$1 per piece. (Mug handles do not need to be measured.)

*I understand that Mud Clay Studio cannot guarantee the success of any piece and will not provide refunds for unsuccessful projects.

*If I do not pick up my pieces within 3 months of this date, Mud will have the right to recycle or take possession of my pieces.
