- Speeding and reckless driving are prohibited and will result in revocation of parking privileges.
- Supervision is provided for parking lots; however, the school is not responsible for damages to or theft from vehicles. Students are cautioned NOT to leave valuables in their vehicles. Parked vehicles should be left with windows closed and doors locked.
- Vehicles are subject to search and seizure (Policy 4342) if there is reasonable suspicion that drugs, alcohol, weapons or dangerous instruments, stolen property or other contraband are present. School Board Policy 7250/5026 prohibits the possession or use of tobacco products on campus.
- Only one tag will be issued per space. The tag may be moved from one registered vehicle to another but may not be loaned to students who are not registered for the parking spot. Any changes must be made electronically, and the main office should be notified.
- Refunds will be issued if the student moves out of DPS. All refunds will be made pro-rata, based on a \$20 per month not used basis. Early grads must return parking tags for a refund. Tags may not be transferred to other students. Lost tags can be replaced for a \$20 fee. Forged tags will be seized, and parking privileges revoked.

Parking fees will NOT be refunded for:

1. Voluntary withdrawal from school (dropping out)
 2. Long-term suspension from school
 3. School-based disciplinary action related to loss of parking privilege
 4. Loss of driving privilege due to revocation of operator's license
- The student purchasing a parking tag is the only person who may park in designated student parking (not identified by number on the tag).
 - Loitering in the parking lot is prohibited. Students should lock their cars and leave the lot upon arriving at school. Students need written permission from an administrator, the SRO, or the parking attendant to be in the lot during school hours.
 - Students who operate a motor vehicle on campus should understand their duties and responsibilities. Under School Board Policy 6325, students who violate parking regulations are subject to the following consequences: revocation of parking privileges, ticketing, booting or towing at the owner's expense, and disciplinary action or criminal charges as prescribed by law.
 - Excessive unexcused absences, excessive tardiness to school or back from lunch, tickets, or fines for lost or damaged items may result in a revocation of parking passes. Student behavior and grades may also impact the privilege of driving to school. **Attendance reports will be pulled every four-and-a-half weeks. Students who accumulate five unexcused absences in any class will have their parking privileges revoked for at least four-and-a-half weeks.**
 - Parking a vehicle on school property is a privilege. **No student may park on campus without registering the vehicle and purchasing a pass.** Please review all regulations and call the school
