Wilbur J. Sarago, May 18th, 2001

As

I peered into the mailbox, I took out a few ads, my mum's boring yoga class announcement, and.. A letter? With my name on it? Did I read that correctly?

'Wilbur James Sarago - 851 Noel Rd'

For *me*? What?

I closed the mailbox, before taking the mail inside. I set the rest of the mail by my mother – who was eating *Makin' Munch* cereal. He gave me a weird look when I kept the letter.

“Whats that?”

She asked. I looked over, “Ah– uh, this says my name on it.” I said with a sheepish smile.
