Events

As we have started applying for funding to organize events we need some extra information from you.

When given the opportunity to participate in an event/festival how would you like to be involved?
Ex: Giving a talk, doing a workshop, doing a performance, showing video-work, doing Q&A, doing a reading, playing music... (You can add your own options)

Fees

What are your artist's fees for those activities? Will there be needs for extra funds for those activities? If so, can you give an approximate budget? If you do not know your fees please just answer N/A and we will calculate your fees based on A-n guidelines www.a-n.co.uk

Although our aim is to be able to pay all the artists the appropriate rate for their practice and work, we might not always have a big budget (at the start) to be able to pay your set rates.

Would you want to be offered the opportunity to work/exhibit and participate in events where there is no budget? (We are always aiming to pay artists but we are aware it is not always possible at the start)	Yes ☐	No ☐
Would you want to be offered the opportunity to work/exhibit and participate in events where the budget is quite restricted? In this case you might be paid the minimum day wage for a creative as designated by A-N	Yes ☐	No ☐

Tick this box if you only want to be offered to participate in events where your fees are fully met ☐

More

As you might know our aim is to create queer events and content.

We envision trans, queer women and non-binary art events, queer POC events, workshops and events specific to different creative practices... Queer events for all!

Amongst the queer content, we want to create a zine and podcast, and our website works as an archive/directory of queer creatives.

Your voice matters!

Do you have any wishes, dreams, visions for a queerer world?

Is there anything you would like to see OYF doing? Is there anything you want to tell us or share with us?
