Summarize the story. What is the book about?

This chapter book is about funny stories. Every chapter is about a funny story about a student.

What is something you liked about the book?

I liked it because it was funny and entertaining. It was funny and entertaining because there was stuff like talking pigtails, kids turning into apples because of a teacher, a bunch of jokes, and many more funny things! When I see this book cover it reminds me of the talking pigtails in the story.
