**Agreement on Onsite Class Hours Requirement  
of CHed for Civil Degree Programs  
AY 2025-2026**

To the Registrar,

This is to signify my understanding of the onsite class attendance requirement of CHed as part of the requirements for full admission to the MASTER IN COUNSELING program.

For my part, I agree to come to AGS when required by my program director, professors, and/or other school activities. I understand attendance will be monitored and will be included in the assessment process for continuation in the program.

Should CHed revisit their onsite class attendance policy in the future, I understand that this agreement will also be adjusted accordingly.
