

2025-2026

## School/Parent Compact

Sharon Herring, Principal  
Jarrett Walls, , Assistant Principal

### School Responsibility

The CGMS administration and faculty will work with students and families to support student success in all subject areas. The success of all students will depend on the following responsibilities of the school:

- Create a welcoming environment that is safe and orderly for families, students, and staff.
- Use of the Dojo platform for instant, two-way communication, and monthly newsletters provided electronically
- Use the school's Facebook, Twitter, and CGMS website to provide tools that will help support students when not at school. Weekly phone calls from the school will also provide this information.
- Faculty and staff will keep parent communication logs daily, regardless of the type of communication.
- Progress Reports will be available at least once a quarter upon request, and grades will be updated weekly in PowerSchool.
- Weekly school-wide Professional Learning Communities will focus on data to drive instruction in all content areas to ensure we are meeting the goals of the CGMS School Improvement Plan, which can be found on the Indistar website.

### Parent/Guardian Responsibility

Parents/Guardians of a CGMS student can ensure their child's success in all subject areas by working with the faculty and staff of Cedar Grove Middle School. Success of all students will depend on the following responsibilities of those at home:

- Support the policies of Brunswick County Schools, and the expectations of Cedar Grove Middle School, by reviewing the student handbook with the student.
- Stay aware, and hold students accountable, by staying up-to-date on student progress. This can be done through weekly reviews of a student's Google Classroom and weekly review of Infinite Campus to monitor grades and attendance. Have discussions, and support your student weekly, as they relate to grades, attendance, and behaviors.
- Stay aware of any information and weekly announcements by keeping all contact information up-to-date with the school, attending all school-sponsored conference nights and curriculum nights, and visiting the school's social media sites, weekly, for information. Communication through Dojo, and review of monthly newsletters
- Be clear, open, and respectful in communication with your student's teachers.

### Student Responsibility

Students of CGMS can ensure their own success through the following responsibilities:

- Support the policies of Brunswick County Schools, and the expectations of Cedar Grove Middle School, by reviewing the student handbook with their parent/guardian.
- Practice good citizenship by refusing to bully others in or out of school, and reporting it when they see something they know is wrong; "See something, say something." This can also be reported using the anonymous campus tip line, through the Sandy Hook Promise "Say Something".
- Applying themselves daily by being active participants in their own learning.
- Stay up-to-date on assignments in each subject area by reviewing Google Classroom daily, and Infinite Campus weekly.

**Together, we will empower students to persevere as responsible and respectful lifelong learners.**

*Developed by our School Leadership Team, and reviewed by our CGMS PAC Chairperson and PTA Committee on 09/03/2025. This School Compact is to be kept, read, and reviewed periodically by the CGMS Community. An electronic version of this form can be found on the CGMS website.*
