

ACADEMIC SENATE FACULTY - TO SIGN, PLEASE [CLICK HERE](#) (PLEASE DON'T SIGN IF YOU ALREADY DID SO WEEKS AGO UNLESS YOU DON'T SEE YOUR NAME HERE)

The following Academic Senate faculty members have signed the [Solidarity Pledge](#) and checked the option, “I will stand in solidarity with my lecturer colleagues by following my conscience and honoring their picket line if they decide to go out on strike.” This represents 90% of all pledge signers. This list was last updated at 8:30 am on November 17th.

** UC-AFT has stated that respecting their picket means not coming to campus except to join the picket line, not teaching in person or online, not responding to work-related emails, and not conducting UC-related service duties.*
