

A Guide to Dress Properly for My Graduation

1. **Graduation Attire (under the gown)** – Students participating in the Graduation Ceremony should dress smart casual. This includes dresses, trousers, skirts, blouses or dress shirts, polo shirts, and dress shoes. **No heels should be worn on the turf.**

2. **Graduation Attire (above the gown)**

- Honor cords and stoles are worn (if applicable).
- Medals given by the school are worn on top of stoles and cords (if applicable).
- Tassels start on the right side (before the ceremony), and when directed the tassels will move to the left side.
- Decorate your caps (if you choose) but make sure they are school-appropriate.
