## & Girls, Girls

(Grade: 2<sup>nd</sup>-6<sup>th</sup>)

### Part 6

**(Objective:** By the time you finish all these lessons, the children will have a good understanding that God designed us as either a boy or girl. NO exceptions. These lessons will take you a while. Read all questions and scripture. Take your time and discuss it all and break down the scriptures so they understand them.)

**Lesson:** God made boys, boys and girls, girls. Why shouldn't we try and change ourselves?

**Read Genesis 1:26-27** Then God said, "Let us make mankind in our image, in our likeness, so that they may rule over the fish in the sea and the birds in the sky, over the livestock and all the wild animals,<sup>[a]</sup> and over all the creatures that move along the ground." <sup>27</sup> So God created mankind in his own image, in the image of God he created them; male and female he created them.

This verse tells us "Let us make man in our image, in our likeness, and let him rule over...Man & Woman are made in God's image. Nothing else needs to be changed. God wants us the way He originally created us. It's good.

**What does Genesis 1:28 tell us?** God blessed them and said to them, "Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish in the sea and the birds in the sky and over every living creature that moves on the ground."

God blessed them and told them to be fruitful & increase in number, fill the earth and be in charge of it. Only a man and woman that are married can have children. This is how God designed it.
