

NEVADA ALCOHOL EDUCATION CARD

I have secured a discounted rate of \$15 through Nevada Alcohol Education Card Service. They have agreed to set up a master account for all of my Non-Profit Group members to use to obtain their alcohol cards on-line. These cards are then good for 4 years. Please make sure that everyone follows the directions very carefully!

The website address is: Nevadadrinkcard.com

They will then need to click on the link that says “**Current Student Login**” and then click on the “**click here**” which will take you to the login screen where you enter:

USER NAME: **SPEEDWAY123**

PASSWORD: **SPEEDWAY123**

You will then need to read all the instructions and information before beginning the on-line course. Please also note location and hours so that your card can be picked up during business hours. The one thing he did ask is that if your people are paying cash to please bring exact change. They can't make change for you so please be advised! They do accept credit card payment which may be easier. Please also make sure they take picture ID with them to get their card. Make sure you mention that this is for the Speedway when you go to pick up your card to get your discount, otherwise it'll be \$25.

The phone number for AES is 702 450-8800 and David is the one that set this up for us, so if you have questions regarding the on-line process please contact him.
