Commissions TOS

Prices are subject to change due to circumstances and whether the artist feels like they could be worth more. Refunds are not available. Prices are in **USD**.

The client must use a clean and visual reference.

- Digital references are preferable, but if done traditionally, it must be clear and easy to understand the shade/tone of colour.

Payment must be completed first before the artwork is completed.

- The client will receive a sketch and then be requested to fulfill payment.
- Payments are done through Paypal and will not be done any other way unless asked and agreed upon.
- If the client prefers half payment at the start and other half before the finished product is sent over, they are to specify in their form.

Minor alterations to the commission are allowed.

- This can only be done within 3 days of completed payment with the sketch. For finished artworks, 24 hours.

The artist reserves the right to decline the client's request and will be respected for their choice.

- Commissions consisting of NSFW content, gore, guts, vore and metal/machine/mech will be denied.
- Ask first about certain species availability. (This includes ARPGs)

The artist will not discuss the commission through forums or through steam.

- Discord (@ angiiiebum),

The client reserves the rights to their characters.

- The commission(s) are copyrighted to the artist.

The artist has the right to upload commissions to their deviantart, portfolio and any other locations that they wish.

- If the commission is time-sensitive, the client may request the artist to delay upload time.

The client may repost their commission as long as credit is clearly visible and links back to the artist's social media.

This artist does not support NFTs and does not allow NFTs to be made of commissioned works.

Commercial use is not allowed with the artworks unless a discussion is had beforehand and there is an agreement to terms.

By commissioning the artist, the client has read, understood and agreed to these terms.
