

Datum: 10.11.2025

Uhrzeit: 18:00

Moderator: Antonia Rabe

Teilnehmende

Patrick, Antonia, Flo, Lea, Minea, Natascha, Tabea, Sarah, Yanis

AK Symposium

Mostly organized

Lab Tours Forms are prepared,

MPIP is not very interested in two replies

Ca 20 participants

Drinks ca 70 Euro

Five crates of beer

Pretzels and Spundakäse ca for ca 100 persons

Some new merch for the guests

18.11 Postersession; Ak Streb will bring some crates of beer

Setting up Lea: 15:30; Patrick

Moderation tbd

Displaying the posters for the whole AKS

Lea will advertise it in the Lab course

:

Auslandinfoabend

We need more posters

Order the bretzels also in the cafeteria, ca 100 pieces

Website:

Group picture at the beginning of the page

Picture folder for pictures of the event (Antonia)

Updated section for AKS

Auslandsinfo Abend

New Upcoming events should be added

Upcoming events

11.12 Dominik Stolzenburg

Room is booked ☐ have to move at 17:00

Cloud condensation nuclei (Analytics) ☐ MPIC would be interested ☐

Maybe invite them to the after event

Posterdesign for Tabea and Natascha

Next Stammtisch

Stammtisch at the **04.12**

Exkursion to Sanofi:

Two Options

- a) 50 1.5 h
- b) Smaller 20 people but also with the look into the labs

Last Exkursion more people but too superficial

Sanofi: 20 person more detailed Tour was chosen

Maybe two Exkursions in the summer

Next semester 19.10.2026

Alfred-Willhelm von Hoffman Stipendium

Possibility to apply

Could also be interesting for the Educational studies

Ask the Abrechnungsstelle whether it would be possible to use up the sponsoring money for a Frühjahresempfang maybe in combination with the BKA talk
