Overview of K - 5 HMH Assessments

Grades	Assessment	What is assessed	Format	How to assess	Recommendations
K-1	Interactive Early Literacy Assessment	Assesses select number of letter names and sounds, as well as how students can read nonsense words Mirrors skills assessed on the STAR	Online	Small groups or whole class (chromebooks)	We don't recommend this assessment because the STAR provides this information.
K-1	Module Inventory Kindergarten Module 3 example	Assesses the phonological awareness, high frequency words, decoding, and print concepts taught in each module	PDF	Individually	For select students, use if you want to monitor learning and/or progress of foundational skills covered in a module
K-5	Screening Assessment	Assesses Letter Names, Word Reading (nonsense words, High Frequency Words, Oral Reading Fluency)	PDF	Individually	For select students, use if you want to monitor progress on letter identification, phoneme segmenting and blending, and decoding words.
K-2	Diagnostic Assessment	Assesses several early foundational skills and fluency (more focus on phonological awareness than the screening)	PDF	Individually	For select students, use if you want to learn more about students' print concepts and phonological awareness.
1 - 5	Selection Quiz 2nd grade example 3rd grade example	Comprehension about a book they read in a module Connected to the comprehension focus for the lessons	Online and PDF Multiple Choice	Whole class or Small Groups	Use if you want to know how students understand the text in the module
K -5	Weekly Assessments K Example	The Week's: • Comprehension foci • Generative Vocabulary • Vocabulary strategy	Online and PDF Multiple Choice	Whole class or Small Groups	Use if you want to know how students are applying the comprehension and writing skills and

	4th Grade Example	• Grammar/Writing (1-5)	Short answer (1-5)		vocabulary strategies to a new text.
K -5	Module Assessment 1st Grade Example 5th Grade Example	Module's * vocabulary focus * comprehension focus * Short response to text * essay * questions about writing (seems grammar related) In grades 3-5 mirrors skills on the SBAC	Available online and PDF Multiple Choice (K-5) Short answer (1-5) Essay (1-5)	Whole class	Because this assessment mirrors the SBAC, we recommend using a part or whole of this assessment if you want to provide test prep strategies and practice.
3-5	Performance Tasks	How students respond to a prompt to write about a text they have read in the module. The rubric measures their application of writing strategies, including integrating evidence from the text.	myBook	Whole Class	Because this assessment mirrors the SBAC, we recommend using it if you want to provide test prep strategies and practice.
