- High Cost Occurrences Student Cost
- Fixed Assets Report
- Held 44 Pre-K transition referral meetings
- Completed and passed CPI Instructor Training Test

Current/Ongoing Action Items:

- MITS Monthly Calls
- Referral Meetings/Evaluation Results
- Annual IEP Reviews
- Pre-K testing for special education services
- June 1 Budget

Planned Action Items:

- IEP Reviews
- IEP and End of Year Paperwork
- Continuation of PreK testing for special education services
- Disproportionality Compliance Self Assessment and District Meeting
- Planning staff for 2022-23 school year

Our Pre-K referrals are from Dawson on students that are already receiving special education services through Dawson. We have 49 referrals, which is an extremely high number compared to past years. Only 5 students were speech only services. We are currently working on testing many of these students to determine if they qualify for school-age services.
